Holiday Special  
Comes to Life  
on Stage!

A Christmas classic for those of every age, all the favorite characters from the special, including Santa and Mrs. Claus, Hermey the Elf, Bumble the Abominable Snow Monster, Clarice, Yukon Cornelius and, of course, Rudolph, come to life in this show. With the TV special having debuted in 1964 and playing every year since, this is a holiday tradition that will be enjoyed by young and old alike!

*Rudolph the Red-Nosed Reindeer* is the animated television special adapted from a story by Robert L. May and the song by Johnny Marks, music and lyrics by Johnny Marks. All elements © and ™ are under license to Character Arts, LLC.

The story tells the tale of a young reindeer named Rudolph who, because of the appearance of his bright, shining nose, is excluded from the Reindeer Games. He flees Christmastown and meets up with new friends, Hermey the Elf and Yukon Cornelius. After finding The Island of Misfit Toys, Rudolph journeys home where a snowstorm of epic proportions is threatening Christmas. Can Rudolph rescue his family and friends and help Santa save the holiday?

Projections, costumes and characters are faithfully brought to the stage against a backdrop of nostalgic set designs. The 12-foot-plus-tall Abominable Snow Monster is jaw-dropping. The cast brings high energy to classic songs and dialogue, while irresistible and loveable puppets highlight the charming "roughness" from the television show's stop-motion effects.
