

# UNDER THE *Streetlamp*

**Thursday, October 15, 2015-7:30 PM**

**A concert celebrating the classic hits from the 1950s-1970s  
performed "Jersey Boys" style**

Oh, what a night! America's hottest new vocal group will deliver an electrifying evening of classic hits from the American Radio Songbook; bringing a unique blend of tight harmonies and slick dance moves to your favorite Doo-Wop, Motown, and old time Rock 'n' Roll hits. The show is reminiscent of a time when, on hot summer nights, people would gather under a streetlamp to sing. It takes audiences back to an era of sharkskin suits, flashy cars and martini shakers.

***Under the Streetlamp*** features four leading singers who have performed in numerous hit Broadway musicals. Three of the four current cast members have performed in *Jersey Boys*, the documentary-style musical that tells the story of the Four Seasons.

After achieving success performing in Chicago, ***Under the Streetlamp*** aired its first PBS special in 2011 and a second in 2014.

Classic hits first performed by Frankie Valli, Elvis Presley, Tom Jones, The Beatles, Roy Orbison, Bobby Darin and more are reborn in this concert with great music and hilarious behind-the-scenes tales, and an exceptional on-stage band composed of world-class musicians. The show is the perfect balance of tender ballads and up-tempo classics, all done with the same signature harmonies and slick dance moves that have made them irresistible for generations. And of course, the show would not be complete without a musical tribute to "Jersey Boy" Frankie Valli and the Four Seasons.
