

# Official North Carolina GED® Transcript Request

Please read the following information before completing and submitting this request form.

- The GED® Office receives approximately 300 requests for transcripts each day. In order to serve the public more efficiently, we kindly ask individuals to not send multiple forms for transcripts and allow 20-25 business days to pass before inquiring if a request has been processed.
- We provide North Carolina GED® transcripts free of charge; duplicate diplomas are not available.
- Your signature is needed, as well as your Social Security Number; not providing ALL requested information will delay the processing of your request.
- North Carolina Adult High School diploma records can be obtained from the college where the diploma was earned. (An AHS Diploma is a high school diploma, but it is not a GED® certificate.)
- ***As of September, 2011, our office will NOT fax transcripts to schools, employers, etc. A transcript must be mailed to be considered official.***
