Pick One: MAT 140, MAT 143, MAT 161, MAT 171			Pick One: BIO 111 or CHM 152		
MED 121 (not OST)			HIS 111, 112, 121, 122, 131, or 132		
MED 122 (not OST)			PED 110 or 120		
ENG 231 or 232			Pick one: ECO 251, ECO 252, POL 120		

Total Points for Additional Courses

Box 3: Point Allocation for scores on the TEAS

Composite Scores	Points Awarded
91-100	40
78-90	30
69-77	20
58-68	10

Math Scores	Points Awarded
70 or higher	10
60-69	5

Total Points for TEAS Scores

Box 4: Points for previous experience

(Certifications and licenses must be current)

Certifications & Licenses	Points
CNA I before 01/31/2020	4
RichmondCC LPN	9
LPN	4
CMA	3
CNA II	3
EMT	2

Diploma or Degrees (points for highest only)	Points
Diploma (not high school)	2
Associate Degree	3
Bachelor or Master	4

Total Points for Previous Experience

Overall Total Points

*No credit given if more than 5 years old at time of admission

**No credit given if more than 7 years old at time of admission

Program GPA as of 01/31/2020: _____

*No credit given if more than 5 years old at time of admission
**No credit given if more than 7 years old at time of admission

We do not include expired courses when calculating points for classes.

The following courses are the only courses that expire:

BIO 165 & BIO 166 is 5 years (BIO 163 serves as a refresher if one or both are expired)

BIO 275 expires after 5 years

PSY 241 expires after 5 years

CIS 110 expires after 7 years

BIO 165 and BIO 166 should be completed at the same college. BIO 163 will be required if courses are not completed at the same school.

We do not use cumulative GPAs for admissions for our nursing programs. The RichmondCC Nursing Admissions calculates a GPA based on required courses. The required courses are the courses in Box 1 on the other side of this sheet. We will not consider Spring 2020 or Summer 2020 classes in this point calculation. If a student has not completed 12 credit hours of college required courses (classes listed in box 1) by January 31st, 2020, then the admissions committee will consider their High School or GED unweighted GPA or if they have completed a college degree from a regional accredited school, then a cumulative GPA from that degree can be used.

Nursing Applicants who have completed BIO 165, BIO 166, or BIO 275 or equivalents on a 10 point grading scale must make a B or higher beginning Fall Semester 2018. If a student completed these courses with a 7 point grading scale and had a grade of C this is acceptable for graduation. However, no points will be given in Box 1 for Cs in any course. All transfer courses will be assumed to be taken under a 10 point grading scale unless the student provides information to the Admissions Counselor indicating a 7 point grading scale.

Program GPA as of 01/31/2020: _____
