

Academic Success Center

Tutor Referral Form

Serving Richmond and Scotland Counties

We would appreciate your assistance in referring students whom you feel would be qualified to be a tutor and a great asset to the Academic Success Center.

We are interested in students who possess effective communication, analytical, and problem-solving skills. The student needs to demonstrate subject matter competency by earning a final course grade of B or higher. Please note that tutors will be selected on the basis of their potential to be an effective tutor as well as be sensitive and patient with regard to the unique needs of students seeking academic assistance. Finally, the ability to work well with students from diverse backgrounds will be an important consideration.

Once you have identified students you believe are qualified tutor candidates, please forward this referral to:
