### Who is the Victim of Tax-Related Identity Theft?

Name: \_\_\_\_\_

Relationship to the student (check one): ☐ Self ☐ Spouse ☐ Parent 1 ☐ Parent 2

Filers who believe they are victims of identity theft do not need to be referred to the Identity Protection Specialized Unit (IPSU); they may call the toll-free number (800-908-4490) directly or go to the ID theft website at [www.irs.gov](http://www.irs.gov). After the IPSU authenticates the tax filer's identity, the tax filer can request that the IRS mail to the tax filer an alternate paper tax return transcript. The alternate transcript is known as the TRDBV (Transcript Data Base View).

I, \_\_\_\_\_, confirm that I have been the victim of tax-related identity  
(Print Name of Identity Theft Victim)

Theft and that I have notified the IRS of the situation.

**Submit your 2017 Tax Return Database View (TRDBV) issued from the IRS  
along with this form to the Financial Aid office.**

**Note:** Tax filers may inform the IRS of the tax-related identity theft and obtain a TRDBV transcript by calling the IRS's Identity Protection Specialized Unit (IPSU) at 1-800-908-4490. Tax filers who cannot obtain a TRDBV transcript may instead submit another official IRS transcript or equivalent document provided by the IRS if it includes all of the income and tax information required to be verified. Unless the institution has reason to suspect the authenticity of the TRDBV transcript or an equivalent document provided by the IRS, a signature or stamp or any other validation from the IRS is not needed.
