When an applicant completes a FAFSA form online, a review is performed just prior to submission. When triggered, the information selected for review or correction of the information that caused a review to display. Because information transferred from the IRS does not display to the applicant (nor can corrections be made), any web changes that include information transferred from the IRS will no longer be presented to the applicant. Instead, financial aid administrators are alerted that the at least one review was triggered but could not be displayed to the applicant and therefore, could not be resolved online. Corrections will need to be completed by the financial aid representative.

Please have the information completed below by your parent(s). You and a parent will need to sign the form, and return it to the Financial Aid office along with the applicable 2017 IRS Tax Return Transcript(s).

By providing signatures, you are certifying that all of the information on this form is complete and correct. You are also authorizing Richmond Community College to make corrections to your original and/or subsequent applications based on the documents you are now submitting.
