## 2017-2018 Student Government Association Candidate

My name is Sierra Morrison and I am currently pursuing an Associate in Nursing diploma. After graduation I plan to pursue a Bachelor's degree in nursing and then on to a Masters. Prior to Thanksgiving some of my classmates and I collect food donations; then two days before Thanksgiving we deliver the packages to families in need. Other community services I am involved in are distributing food at food banks, donating used books to first year teachers to help build up their library, donating gently used clothing, planning and carrying out activities for mental health patients, and donating my time to habitat for humanity.
