

Workforce & Economic Development

Bridging the gap between learning and community needs by embracing technology to provide training and development opportunities for our customers.

The **Workforce and Economic Development** division of the college offers a wide variety of short-term, noncredit courses to individuals in the community and to businesses and industries interested in providing training to their workforce. RCC continues to work with local employers, business / industry partners, and students to create modular training and education courses that result in the attainment of nationally recognized credentials.

Whether you are looking for a new career, polishing up an old one, or searching for a new hobby, we have something to offer. Our Small Business Center is available to assist you in starting or growing a business.

We continue to strive to be the premiere, comprehensive, training service provider for Richmond and Scotland County Residents. We welcome your suggestions of new programs that you would like to see offered at your community college. If you have any comments or suggestions, feel free to contact Alicia Butler at (910) 410-1706 or Myra Locklear at (910) 410-1831.

Career Readiness & Basic Skills

Welcome to RCC's College and Career Readiness! Our mission is to assist adults to learn and to obtain the knowledge and skills necessary for employment and self-sufficiency, assist adults who are parents to obtain the educational skills necessary to become full partners in the educational development of their children, and assist adults in the completion of a high school education. College and Career Readiness classes provide educational opportunities for adults to improve their reading, writing, mathematics, and communication skills through five major program components – Adult Basic Education (ABE), Adult High School (AHS), Compensatory Education (CED), English as a Second Language (ESL) and High School Equivalency (HSE). In all program areas, students follow individual learning plans designed to help them meet their unique goals. This enables students to learn at their own pace with one-on-one assistance from an instructor as needed.

Admission Requirements

- Adults 18 years of age or older who have not completed high school
- 16 and 17 year olds must submit additional forms before acceptance into any program.
- Completion of an Assessment/Orientation session is required for all students.

Class Locations

- Classes are provided in locations throughout Richmond and Scotland counties.
- Morning, afternoon and evening classes are offered.
- Computer-assisted labs are available.

Fees

- Instruction is provided free of charge to all students in College and Career Readiness classes.
- Books and other study materials are furnished at no cost to the student.
- HiSET is currently \$10/per test X 5 tests: **\$50 total**
- GED is currently \$20 per test X 4 tests: **\$80 total**

Adult Basic Education (ABE)/High School Equivalency (HSE)

ABE classes are open enrollment and self-paced. You work on your own timetable based on your assessment. There are no grades for class assignments. At times, you will work individually on your independent study plan while your instructor acts as a facilitator, offering assistance when you need assistance. At other times, your instructor will lead the class in daily lessons and activities.

Throughout your time in class, there will be periodic assessments to determine your progress. When your goal is reached in reading, math and language skills, you may move to an ABE preparation class or an Adult High School class.

ABE/HSE classes prepare adult students to learn or review basic high school subjects. Classes are offered by RCC both on and off campus. Students are assessed with a practice test, which qualifies them to take the official GED or Hiset test. Students study in five areas – writing skills, social studies, science, reading and mathematics.

English as a Second Language (ESL)

English as a Second Language (ESL) is a community college program designed for non-English speaking adults. The goal of the program is to provide instruction and tools needed for non-English speakers to obtain the English skills needed to be successful in the community, workplace and with child involvement. You can improve your reading, writing, speaking, listening, and employability skills. The classes also prepare you for the naturalization exam to become American citizens.

ESL workplace literacy program focuses on the individual needs of companies in our area. The program provides instruction to non-English learners based on the needs of the company. The program has enjoyed great success and continues to be popular among local companies.

WorkKeys

Career Readiness Certificate (CRC) is a work credential that promotes skills and career development for individuals and verifies to employers anywhere in the United States that you possess basic workplace skills and employability skills in Applied Mathematics, Reading for Information, and Locating Information. North Carolina's CRC is based on the ACT WorkKeys system, an industry-driven system of profiling, assessment and instructional support.

WorkKeys is a job skills assessment system that helps employers select, hire, train, develop, and retain a high-performance workforce. The WorkKeys exam evaluates your skill levels and is given at RCC on a regular basis. The certificate allows individuals to demonstrate their level of skill in the most common skills required for success in the workplace. RCC provides free KeyTrain classes that prepare you to take the WorkKeys exam. If you have lost your job or are facing a plant closing, now is the time to begin preparing for the exam and the opportunity to add the CRC to your resume.

WorkKeys test are administered at the RCC Main Campus in Hamlet, as well as at the Honeycutt Center in Laurinburg.
