

We Have a New Website!

We have updated Richmond Community College's website to create a better user experience for both students and potential students, as well as other visitors to our site.

The screenshot displays the Richmond Community College website. At the top is a dark red navigation bar with links: Apply, Contact Us, Give Today, and Info for. Below this is a white header with the college logo, navigation links (Become a Student, Admissions, Campus & Community, Student Resources, About RichmondCC), and a search icon. The main banner features a photo of three smiling students with the headline 'College Starts in High School' and a sub-headline about dual enrollment programs. Below the banner are two buttons: 'High School Dual Enrollment' and 'Early Colleges'. The 'Become a Student at RichmondCC' section includes a 'Search Our Programs' button and four program cards: 'Earn A College Degree', 'High School Dual Enrollment', 'Adult Education', and 'Workforce Training'. The bottom section, 'Find a Program', has a search bar and links to 'View All Programs', 'Admissions', and 'Why Choose Richmond CC'.
