*No credit given if more than 5 years old at time of admission

We do not include expired courses when calculating points for classes.

The following courses are the only courses that expire:
BIO 165 & BIO 166 is 5 years (BIO 163 serves as a refresher if one or both are expired)
BIO 165 and BIO 166 should be completed at the same college and needs to be a grade of B or higher.

RichmondCC Nursing Admissions does not use cumulative GPAs for admissions. The RichmondCC Nursing Admissions calculates a GPA based on required courses. The required courses are the courses in Box 1 and Box 2 on the first page of this document. We will not consider Summer 2028 classes in this calculation. A PN applicant must have a calculated a Program GPA of 2.5. GPA is calculated based on the following courses: BIO 165, BIO 166, ENG 111, and PSY 150. A PN applicant must have at least 10 credit hours completed or the unweighted high school GPA will be used or cumulative GPA from a college degree from a regionally accredited college. The Program GPA must be at least a 2.5. GPA calculated by the end of May each year prior to the Fall they are wishing to be admitted into the PN program.

Program GPA: _____
