**COURSE: HSC 110 ORIENTATION TO HEALTH CAREERS**

**HOURS:** Lecture: 1 Lab/Shop: 0 Work Exp/Clinical: 0 Credits: 1

### COURSE DESCRIPTION:

This course is a survey of health care professions. Topics include professional duties and responsibilities, working environments, and career choices. Upon completion, students should be able to demonstrate an understanding of the health care professions and be prepared to make informed career choices. Pre-Nursing requirements and expectations will be covered in full detail.

**PREREQUISITE(S):** None

**COREQUISITE(S):** BIO 165, BIO 166, CIS 110, ENG 111, ENG 112, HSC 140, HUM 115, NAS 101, NAS 102, PSY 150, SOC 210

### TEXTBOOK(S) & OTHER SPECIAL REQUIREMENTS:

None

### STUDENT LEARNING OUTCOMES:

Upon successful completion of this course, the student will be able to:

1. Understand the nature of stress and its impact on health and behavior.
2. Recognize the importance of one's financial situation and how it impacts one's future.
3. Understand the role of group members when developing and presenting information to an audience.
4. Develop tools for academic success such as time management, test taking skills, commitment required for success, and how to deal with failure.
5. Identify the role of professional behavior and the pitfalls of social media.
6. Identify the educational requirements for the Associates of Nursing Degree Program.
7. Develop an understanding of the role/responsibilities of the professional registered nurse.
8. Develop a beginning knowledge base of dosage calculations.
9. Develop an understanding of the commitment necessary to complete the requirements of the nursing program.
10. Strengthen computer navigational skills for common websites used in the educational track.
11. Develop awareness of nursing concepts.
12. Acquire team building skills and public speaking skills.
13. Identify and develop mannequin etiquette.
14. Utilize beginner medical terminology knowledge.
15. Acquire research-based, data-driven strategies to optimize the student's approach to an intense season of learning.
16. Develop an understanding of the physicality of learning and how to facilitate the optimum environments for learning based on brain research.

17. Learn how to utilize the higher-order reading strategies necessary for success in text-rich collegiate level courses.

### **EXPLANATION OF SYLLABUS:**

The Student Learning Outcomes listed in this syllabus are those required actions that a student who successfully completes the course must be able to perform or exhibit. The educational experience, however, is a two-way, interactive process involving both the student and his/her instructor. The student must play an active role in the learning process in order to be successful. Each Instructor will provide an Instructor's Course Requirements document at the first class meeting explaining how he/she measures each of the Student Learning Outcomes listed in the syllabus. A student who is unable to accomplish the outcomes will not receive a passing grade in the course.

The information in this RCC Syllabus may not be accurate beyond the current semester. Textbooks and other course materials are subject to change. Students should verify the textbooks at the first class meeting with their instructor prior to purchasing.

### **RCC ATTENDANCE POLICY:**

Regular attendance is considered essential to realize course outcomes. Rules on attendance, tardiness, and leaving class early are addressed in each Instructor's Course Requirements document.

No matter the basis for absence, students are held accountable for academic activities, and faculty may require special work or tests to make up for missed classes.

When courses are delivered through online instruction (DL or Distance Learning) or through a combination of traditional classroom and online instruction (hybrid), class participation is no less important, though its measurement may be somewhat different.

The Nursing Department's requirement related to attendance exceeds the college policy. Nursing students are required to attend 90% of classes, labs, and clinicals. At the discretion of the instructor, a written assignment or makeup clinical may be given for hours missed determined to be unavoidable.

### **RCC GRADING SYSTEM:**

Richmond Community College employs a system of letter grades and corresponding quality points per grade to evaluate a student's performance in meeting the stated goals and objectives for each course.\*\*

### **SECURITY AND SAFETY PROCEDURES:**

RCC's upgraded security procedures require all doors to be locked at class start-time.

All students, faculty, staff, and visitors must wear visible identification (ID) badges. Identification badges should be worn on the front of clothing. RCC employees can stop, restrict, and remove from any school-related activity or function anyone who does not display an ID badge.

### **STUDENTS WITH DISABILITIES:**

Richmond Community College complies with the Americans with Disabilities Act and Section 504 of the Rehabilitation Act, which require that no qualified student with a disability be excluded from participation in or be denied the benefits of any services, programs or activities on the basis of his or her disability. If accommodations in the classroom and/or in extracurricular activities are required, the student is encouraged to contact the Disability Services Counselor in Student Services prior to the start of the semester; however, a student may request accommodations at any time. Reasonable accommodations may take up to three (3) weeks to implement. Richmond Community College is committed to providing support and services to students with disabilities to help them obtain a quality education and to reach their goals. Assistance is provided, as necessary, and is intended to help students participate in and benefit from the programs and activities enjoyed by all students.

#### **WITHDRAWAL:\*\***

Students may withdraw from Richmond Community College curriculum courses up to the published Last Date to Withdraw (90% point of the section term). The student will receive a grade of "W" for the class and will not receive credit for the course. The "W" grade will not be used to compute hours earned or to compute the student's grade point average. If the student presents written documentation of extenuating circumstances which make it impossible to continue in the course after the 90% point, a late withdrawal (occurring after the published Last Date to Withdraw and on or before the last date of the section term) may be approved. A late withdrawal must be approved by the Vice President of Instruction.

In order to formally withdraw from a course, the student must complete a Student Initiated Withdrawal Form. The student is encouraged to read through the refund policies, and discuss the impact of withdrawing with their instructor, advisor, financial aid staff, and/or Veterans' Coordinator.

Individual instructors may have attendance requirements in individual classes. The instructor will notify the student if they are at risk of being withdrawn from an individual course due to the attendance requirements outlined on the Instructor's Course Requirements for an individual course. The instructor will notify the student's advisor and the Veterans' Coordinator if an instructor initiated withdrawal is imminent for courses that have an attendance policy. Instructors not having a course specific attendance policy are not allowed to withdraw students due to attendance.

A withdrawal occurring before the 10% census reporting period ends for that course will not be included on the student's transcript. This is considered dropping a course.

Depending upon what point in the semester the student withdraws from a course, financial consequences may occur for the student if they are receiving any form of financial aid, scholarships, and/or veterans benefits. Students receiving financial aid should refer to the Financial Aid Procedures and Policies provided in the Financial Aid Award Letter Supplement and also available at <http://richmondcc.edu/admissions/financial-aid>. Students receiving VA education benefits should refer to the Department of Veterans Affairs Procedures provided in the RichmondCC Student Handbook available at <http://richmondcc.edu/student-services/student-handbook>

**\*\*Please refer to the online version of RCC's Catalog & Student Handbook for current academic and general policies.**
