

ECU Bound with Pirate Promise Program

Guaranteed Admission Program

Ever since **Lakesha Young** was a senior in high school, she wanted to go to East Carolina University, but her life went in a different direction. However, at age 35 and married with five children, she is getting a second chance to attend ECU thanks to the Guaranteed Admission program Pirate Promise.

A **RichmondCC student**, Young is on track to graduate this May with an Associate in Arts - Teacher Prep degree. She has already been invited to join the Pirate Nation with Pirate Promise. She can attend special events at ECU and receive advising assistance including a dedicated transfer coach. She is guaranteed admission to ECU for the 2026 Fall Semester.

New Scholarship for Students in Technology Based Programs

RichmondCC students enrolled in Cybersecurity, Information Technology, Software & Web Development and Mechatronics Engineering Technology degree programs now have access to a new scholarship. The Steed Foundation Scholarship Supporting Data & Technology will provide financial support to RichmondCC students in Richmond County interested in pursuing challenging degrees in data and technology-based fields.
