Kick-off Party for New Club Was a Hit!

ASCEND, which stands for Aspiring Students Connecting to Empower New Directions, is a peer-to-peer mentoring club that allows students to connect, make new friends, build new skills and shape their future goals. The club recently had a kick-off party to introduce students to this new opportunity on campus. The club meets every Tuesday from 12 to 1 p.m. in the Lee Building, room 21, Hamlet Campus, and every first and third Monday from 4 to 5 p.m. in the Lee Building, room 15, Hamlet Campus. Students will have access to skills building activities, service learning projects, field trips and networking with guest speakers.
