"RichmondCC changed my life by giving me confidence, direction and belief in myself. It showed me that I am capable of achieving my goals and continuing to a university like UNCP."

--Caitlyn Hunt, RichmondCC Human Services Graduate transferring to UNCP

Hunt's Career Goal Is to Help Children

Caitlyn Hunt of Maxton grew up in a single-parent household where her mother worked multiple jobs to support her family. From her mother, Caitlyn learned how to be strong, persevere and care for others, but she also knew she wanted more for her future.

"Seeing my mother sacrifice for our family motivated me to pursue a college degree so I could create stability, help those who need support, and give back to my family and community," 20-year-old Caitlyn said.

Caitlyn just graduated from RichmondCC with her associate degree in Human Services. She has been accepted into the Bachelor of Social Work program at the University of North Carolina-Pembroke.

Promoting Awareness of Teenage Violence

On Wednesday, Feb. 11, our Counseling Department will hold a presentation, "Teen Dating Violence Awareness, from 1:30 to 2:30 p.m. at the Honeycutt Center, room

130, Scotland County Campus.

The purpose of this presentation is to raise awareness about the ongoing and imminent danger of violence that often occurs among teenagers dating. The danger can include physical, sexual, emotional, verbal, financial and technological abuse. We want to help our young students have healthy relationships by providing positive dating guidance such as respect, communication, and consent.
