

Meet Your Certified Peer Mentors

Richmond Community College is building a peer mentoring program that pairs experienced students with new students to foster academic success, social integration and retention. Peer mentors provide guidance on navigating campus life, developing study skills and increasing student belonging.

RichmondCC now has three students who are NASPA Certified Peer Mentors after completing the 12-hour certified peer educator training. They are Rhonda Jones, Emmaleigh Hoffman and Lester Crawford.

To get involved, contact Director of Counseling Chris Gardner at csgardner@richmondcc.edu or (910) 410-1731.
