

START THIS FALL SEMESTER!

Turn Your Training into a **College Degree**

Attention Law Enforcement Officers!
Richmond Community College will award you college credits for the training you successfully completed through Basic Law Enforcement Training.

Your training earns you college credit for **4 classes** in the **Criminal Justice Technology** program. That is equal to **one semester** of study!

PLUS, RichmondCC's Criminal Justice Technology program is offered **entirely online!** No need to step into a classroom. Complete your degree from your **own personal computer.**

Advance in your job with more **education!**
