2021-2022 INDEPENDENT STUDENT VERIFICATION WORKSHEET V5

Serving Richmond and Scotland Counties

VERIFICATION

A process mandated by the U.S. Department of Education requiring schools to verify self-reported data provided on the FAFSA to ensure its accuracy.

NOTE: Verification is intended to ensure that students receive the aid of which they are eligible, NOT because fraud or misrepresentation is suspected.

Why was your file selected? Because the FAFSA application has estimated information, primary questions were left blank, or there seems to be conflicting data.

What do I do if I am selected? The RichmondCC Financial Aid Office will notify the student (not the parent or spouse) by mail and via RichmondCC Email with information on completing the process.

COMMON DOCUMENTS INCLUDE (Note: type of documents required will vary from school to school):

- √ Completion of the Verification Worksheet
- √ Submitting an IRS Tax Return Transcript or IRS Verification of Non-Filing Letter

How to Obtain a 2019 Tax RETURN Transcript from the IRS

You or your spouse can immediately access a Tax Return Transcript and a Wage and Income Transcript. Transcripts can also be requested by Mail.

*These are free and here is the direct link: <http://www.irs.gov/individuals/Get-Transcript> or call the IRS at 1-800-908-9946.

You may need to submit any income documentation such as W-2's, etc.

If you were NOT required to file a 2019 Federal Tax Return

We have attached to this worksheet both student and spouse non-filing statements which you will need to complete and return with your verification Worksheet. The US Department of Education requires that the nonfiler provide "**Verification of Nonfiling**" letter(s) for 2019 from the IRS. You may request this letter by requesting a tax return transcript at [IRS.gov](http://irs.gov), completing and mail/fax Form 4506-T or Form 4506T-EZ to the IRS, or calling 1-800-908-9946. IRS will mail the "**Verification of Nonfiling**" letter to the taxpayer. Letter must be dated October 1, 2020, or later. Nonfiling letter is also required documentation for those granted filing extension by the IRS. Please submit the letter along with other required documentation at the same time. You will need to submit any income documentation such as W-2's, etc. as well.

What happens after I submit my information? Once you begin submitting documentation, the Financial Aid Office will:

1. Review the documents to be sure they are complete. **This can take two to three weeks** depending upon the volume of all student paperwork being submitted.
2. If the documents are incomplete (missing signatures, questions are left blank, etc.) we will request that the documents be resubmitted with the information necessary to make them complete. **NOTE: Each time you have to resubmit information; the process starts over. Because processing can take two or three weeks, you need to be sure your documents are COMPLETE when you first submit them.**
3. Once all documents are complete, the Financial Aid Office will review the information and compare it with the information reported on the FAFSA.
4. During the review, if the information raises additional questions for which we need clarification, we may ask for more documentation.

NOTE: If you have to submit additional information the process starts over, so please respond to these requests as quickly as possible.

What happens if there are discrepancies in the application?

If discrepancies are found, the Financial Aid Office will make corrections to your FAFSA. If the corrections lead to a change in your eligibility, the Financial Aid Office will revise your award.

How can verification affect my bill?

Financial Aid will only be awarded once the Verification process is complete. Without an award, there will be no financial aid on your account, making you responsible for the entire balance owed for the semester.
