

Yale-bound Andrew He will major in Molecular Cellular and Developmental Biology, with the career goal of becoming an anesthesiologist.

RichmondCC Graduate Blazing a Trail to Yale University

In May, Andrew He walked across the stage at Richmond Community College to receive his Associate in Science degree. In August, he will enter the hallowed halls of Yale University.

The 18-year-old from Hamlet applied to six of the eight elite universities that make up the Ivy League. Andrew was accepted by all of them except Harvard, and he was put on a wait list at Columbia. He also applied to NC State University, UNC Chapel Hill and Duke University; he got accepted by all three.

How did he make his decision to go to Yale?
