Dual Enrollment
Handbook

YOUR PATH STARTS HERE!

Meet Your
President

Dr. Dale McInnis

On behalf of our faculty, staff, students, and Board of Trustees, I want to congratulate you for taking advantage of our Dual Enrollment courses here at Richmond Community College.

Qualifying for these courses proves you have the talent and ability to be academically successful. I urge you to maximize this opportunity and fulfill your potential through our courses.

Always remember you have access to all of our resources and services. Every RichmondCC employee stands ready to support your success in every possible way. Whether it is using our library for research or going to our Career Center to map out your future, this is your college.

Good luck in all your classes, enjoy high school, and let us help you start your college career here at RichmondCC.

Dual Enrollment Overview

At Richmond Community College, we believe in starting college early! Through our Career and College Promise program (Dual Enrollment), we offer an option for high school age students to begin earning college credit while still in high school. Plus, students who successfully complete two dual enrollment courses while in high school and graduate with an unweighted GPA of 3.0 or higher position themselves for two years' free tuition at RichmondCC through the RichmondCC Guarantee.

Career and College Promise provides seamless dual enrollment educational opportunities tuition-free for eligible North Carolina high school students in order to accelerate completion of college certificates, diplomas, and associate degrees that lead to college transfer or provide entry-level job skills.

Dual Enrollment

Richmond Community College's dual enrollment program is open to high school age students who are juniors or seniors.

To enroll in the dual enrollment program, students must complete a Richmond Community College student application. Students taking dual enrollment courses work with their high school counselor and RichmondCC representative to determine which course(s) they are interested in. They have the option of courses in RichmondCC's certificate, diploma and degree programs, as well as courses to transfer to a four-year college or university.

Dual Enrollment provides qualified North Carolina high school juniors and seniors with the opportunity to dually enroll in community college courses tuition-free. Richmond Community College provides qualifying students with the opportunity to enroll in the following pathways:

COLLEGE TRANSFER PATHWAY REQUIREMENTS

High School juniors and seniors may enroll if they have.....

- ❖ An unweighted GPA of 2.8 or higher

CAREER & TECHNICAL PATHWAY REQUIREMENTS

High School juniors and seniors may enroll if they have.....

- ❖ An unweighted GPA of 2.8 or higher or the high school principal's recommendation

Web-Based Student Tools

Student Identity

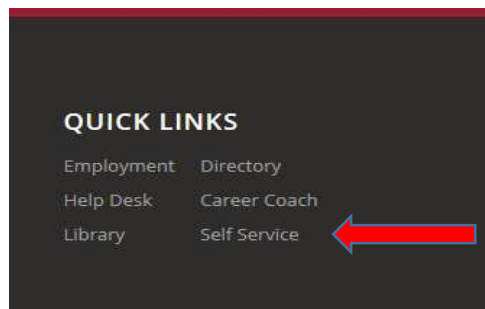

Richmond Community College takes all possible measures to protect the identity of students online by requiring a secure username paired with a unique password for access to Self Service, Moodle, and Student E-mail accounts. Students only have access to their own personal information when logged into web-based accounts. In addition to secure usernames and passwords for Self Service, Moodle, and Student E-mail accounts, students also have access to our web-based student help desk and live telephone support.

Student Login Information

All students create a password before using Moodle, Self Service, and student email. The procedures for setting passwords are the same as when resetting a password and is located on our website at (www.richmondcc.edu/ccp) .

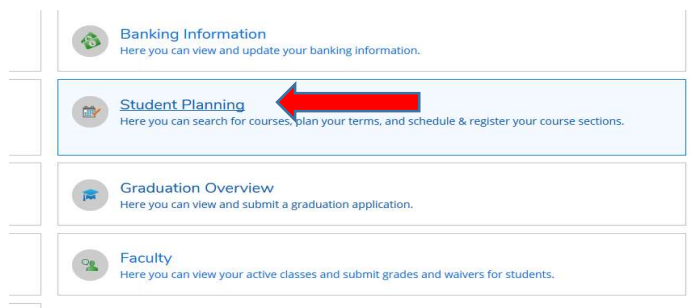

Once a student establishes their username and password, the student will have access to the rest of RichmondCC's web-based student tools.

Self Service

Mobile App

The RichmondCC mobile app is now available to students who want quick access to important college information and resources. The app can be downloaded to both Android and iPhones.

Once the Ellucian GO App is downloaded and installed on a student's phone, he or she can access the following:

- Moodle
- Student Email
- Webadvisor
- Helpdesk
- Campuses Map
- About (College's address, main phone number, and web page)
- Grades
- Class Schedules

Office365

RichmondCC students also now have free access to Microsoft Office products, including Word and Excel. Office365 is provided for all students, faculty and staff at RichmondCC at no cost.

Office365 also provides students, faculty and staff one terabyte of storage through Microsoft's One Drive application that can be used to back up personal files or share them with others. In addition, the College has licensing in place to provide students, faculty and staff a copy of Microsoft Office that can be downloaded and installed on their personal computer.

Student Resources

Academic Success Center

RichmondCC offers free tutoring services to any student who is interested in being tutored. At our Academic Success Center, you will be provided with personal, one-on-one tutoring or small group sessions. Reinforcement and skill drills are also available in the form of computer, written and video tutorials.

- ***Online Tutoring***

Partnering with the online tutoring platform Upswing, RichmondCC has opened the door for students to have access to tutoring any time of the day, any day of the week.

Through Upswing's online platform, students are able to connect with Upswing's network of coaches, who provide academic support at times when the College's tutors may be unavailable, such as at night or during weekends. Students will be able to get help with classes at times that best suit their schedule, and there is no cost to students to use the online resource.

Access your personalized Upswing portal at <https://richmondcc.upswing.io/>

- ***Proctoring Services***

To utilize the Academic Success Center as a Richmond Community College student to take a proctored test, appointments are scheduled using the schedule an appointment link below.

<http://richmondcc.edu/proctor-scheduling>

Oral and Written Communication Center (OWCC)

As a part of the Quality Enhancement Plan: Speaking to Convey, writing to Display, the Writing Center is in the process of expanding its resources to help students with oral presentations as well as written assignments. The OWCC provides professional tutors in a comfortable environment to help RCC students in any class involving a written or oral component.

Career and Transfer Center

Our Career Center offers services for students seeking employment, including information and training on:

- Career explorations
- Resume writing
- Job search
- Interview skills
- College transfer opportunities
- Campus jobs

Counseling Services

We offer counseling and online counseling services at Richmond Community College to help students not only adjust to college but resolve personal issues and improve their lives as well.

Our counseling staff at RichmondCC is made up of professionals with a passion for helping students find resources to further their education, career and daily lives

Disability Services

At Richmond Community College, we strive to meet each of our students where they are, helping them find the tools to grow in their knowledge and skills. Our community college is equipped with the necessary resources to achieve this by offering students a variety of disability services at our campuses located in Hamlet and Laurinburg.

Grading Policy

Students who elect to participate in the Career & College Promise program will be viewed as college students at RichmondCC, with the same rights, responsibilities, and expectations as any other RichmondCC student. Letter grades are used for all RichmondCC classes and reported in the system as such. For the high schools, the Director of K-12 Partnerships will report numerical grades. RichmondCC uses a 10-point grading scale.

College vs High School Credit

Per agreement between the North Carolina Community College System and the North Carolina Department of Public Instruction, the following credit will be awarded:

Semester Credit Hours:	1-2	3-4	5-8	9+	(on college transcript)

Frequently Asked Questions

Q: Who do I contact to get my grades?

A: Self Service contains all student grades from RichmondCC.

Q: Where do I locate my schedule?

A: Schedules can be found by logging into Self Service.

Q: Do the courses within the College Transfer Pathways apply towards the general education requirements for a 4-year institution?

A: Yes, all of the courses offered as a part of the College Transfer Pathways are part of the Comprehensive Articulation Agreement between the community colleges and all public institutions within the state of North Carolina, as well as many private/independent institutions. This means that all the courses in which a student earns a C or higher will transfer and count towards general education requirements.

Q: After high school graduation can I transfer my college courses to another community college?

A: Yes, courses may be transferred between community colleges as long as the same programs of study are offered at each college.

Q: What can parents do to support their students?

A: Parents can encourage their students to maintain good communication with the College staff, seek out academic assistance, practice good organization skills, attend all class meetings, complete and submit all assignments. Finally, parents can monitor students grades and GPA.

Q: What if high school classes are canceled or delayed and the College is not?

A: Students should make every effort to safely attend their College classes when the College is open.

Q: Who should I contact if I'm having difficulty accessing my Moodle, Self Service or e-mail accounts?

A: Refer to Student Tools of this Guide for solutions to the most common issues. If problems persist, contact the College's IT Help Desk at (910) 410-1701.

Q: Do I have to purchase textbooks?

A: CCP does not cover textbooks; however, RSHS and SHS are providing books for their students for the upcoming school year. right now.
